

Invisible Repairs » Visible Savings

Keeping your car or truck looking good and preventing small damage from growing into a bigger problem doesn't have to require a costly trip to the body shop. AutomotiveTouchup, a leading specialty touch up paint resource, has everything needed to do your own professional-looking paint touch ups.

Custom-formulated from the most comprehensive library of OEM colors in the industry to create an exact color match for decades of makes and models, AutomotiveTouchup products give you high-quality, long-lasting results.

AutomotiveTouchup's professional-grade paints, primers and clearcoats are designed for a range of repair needs—from small touch ups to major repair and restoration projects. Online ordering and direct shipment means the highest quality products at the lowest cost possible.

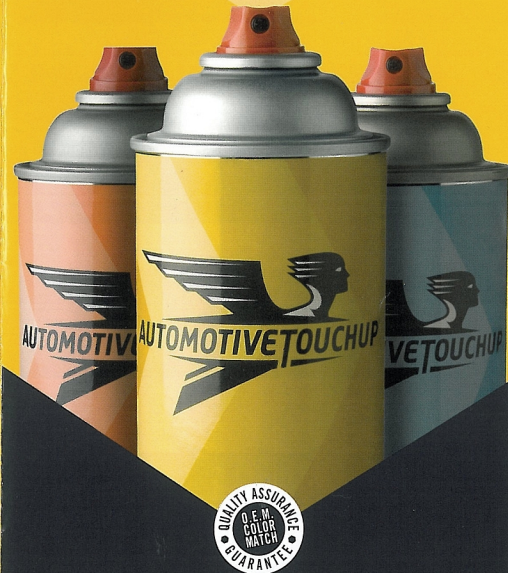

Like New, Done by You

Choose the formula and amount that matches your needs: AutomotiveTouchup offers touch up bottles and paint pens, aerosol cans, pints, quarts, gallons and support products—all designed for easy application and lasting results.
